<b>Interview Questions (Please address the period since the second five-year review was completed in April 2006)</b>				
<p>1. From your perspective, what effect have remedial actions at the site had on the surrounding community since completion of the second five-year review in April 2006? Are you aware of any community concerns regarding the site or its operation and administration?</p> <p><b>Response:</b> <b>Because nothing has been done by EPA or ADEQ to revitalize the site and prepare it for return to productive use, the surrounding community of Omaha and Boone County continues to be deprived of jobs, tax revenues and other economic advantages as a result.</b></p>				
<p>2. Have there been routine communications or activities conducted by your office regarding the site since the last five-year review? If so, please describe purpose and results.</p> <p><b>Response:</b> <b>NO</b></p>
